Dear Dan,

I am writing to express my interest in a position on the Teton County Parks and Recreation Board. I would like to serve on this board because of my passion for protecting and providing quality recreation experiences for all.

My Bachelor's Degree in Outdoor Recreation Management from Eastern Washington University introduced me to different aspects of managing and providing recreation services. Since then I have held various positions in the outdoor recreation field where I have been able to build on those foundations. I have extensive experience working for both government agencies, private companies and non-profit organizations within the scope of recreation. My current role as Co-Owner of Warhol Services, LLC allows me a flexible schedule to pursue interests such as developing our small farm, getting involved with local youth organizations, and participating in various outdoor recreation activities.

While the experience I have in local government is limited; I did serve as a Poll Worker at the courthouse for the 2024 election and was employed for a year at Teton County Extension as the 4-H Assistant. I have also served on the Teton Valley Little League Board for the last 4 years.

I feel the priorities for this Parks and Recreation Board will be establishing an inventory of current Teton County recreation assets and programs, communicating with other agencies and the public to prioritize projects, and create a budget that will utilize our tax dollars in the most efficient manner for the benefit of the whole community.

I would appreciate the opportunity to discuss the position further. Please let me know if you have any questions. You can reach me by phone at [REDACTED] or by email at [REDACTED]

Sincerely,

Sara Warhol
