

Cherry Grove Canal Company

PO Box 1662

Driggs, ID 83422

Chris Warburton, President

To Whom It May Concern,

Taylor Cook from Nelson Engineering has contacted us in regards to the canal in the Log Cabin Subdivision proposal, parcel number RP04N45E234825. We have considered the map they have provided. They have committed to no changes to the canal and continued access to maintaining the Cherry Grove Canal as provided in Idaho State Law.

Thank you,

Chris Warburton, President

Cherry Grove Canal Company
