All pricing above is FOB plant and subject to the following:

1. Price quoted is valid for 60 days. ASI will seek to maintain price for longer than 60 days but may increase price after 60 days if required by increased costs to ASI.

2. Contractor will provide ASI a minimum of 10 working days between the date of the order and the date of pickup. Delivery of orders with less than 10 working day's notice may be subject to delayed shipment due to production schedules.
3. Product is sold FOB ASI's production facility, unless otherwise stated.
4. Assignment and transfer of legal title to the product from ASI to customer is immediate upon product transfer from plant to contractor shipping container.
5. Freight: Shipping, handling and storage is the responsibility of the contractor.
6. All short- and long-term product storage is the responsibility of the contractor.
7. ASI will only certify products manufactured, at our designated facilities.
8. Customers storing products in bulk or diluting and mixing them for specific projects are responsible for material certifications.
9. The performance and safety of ASI Products is dependent upon shipping, handling, storage and application in strict compliance with the SDS and technical data sheet, ASI's Best Practices Manual. Contractor certifies that it has read and understood these documents and their requirements for shipping, handling, storage and application of all ASI Products.
10. While ASI will assist in facilitating the resolution of any disputes about the performance of services by the freight company and/or the applicator company, it is understood and agreed that the freight company and/or the applicator company and not ASI will be liable for all costs arising from or related to any deficiency in performance of their services.

Terms: Net 30.
