FROM: Darryl Johnson, Public Works Director

ITEM TITLE: **Action Item – Chip Purchase from Avail Valley**

### **Summary:**

*Purchase ½" chips from Avail Valley for 2025 chip seal efforts*

Teton County typically uses 3/8" chips for chip seal efforts. This year we are using a different oil and larger chips for the first lift on new chip seal roads. A source has already been identified for the 3/8" chip need. Public Works would like to purchase slightly larger chips (½" spec) from Avail Valley to be used on the first lift of chip seal on E6000N and E5000N.

### **Fiscal Impact:**

*Teton County will need an estimated 305 tons of chips at \$30/ton for a total cost of \$9,150.*

### **SUGGESTED MOTION:**

Approve the purchase of 305 tons of ½" chips at \$30/ton from Avail Valley for 2025 chip seal efforts. Total cost of \$9,150 to be paid from 233-00-43085
