ITEM TITLE: **Action Item – 2025 Contracted Weed Treatment on County Properties**

Summary:

The Teton County Weeds department budgeted for a FY2025 seasonal employee. We have not had any interest in the position and are proposing to contract with Rustic Mountain LLC in lieu of the seasonal employee. Since Rocky Mountain LLC is a licensed applicator, spray efforts can be done without oversight of our Weeds Superintendent. This allows for two crews to be out spraying through the course of the summer. Attached is a summary of projected summer workload and benefits of hiring Rustic Mountain for assistance by Weeds Superintendent Cameron Hieronymous.

Fiscal Impact:

This contract is for \$105.00/hour with a not to exceed price of \$20,000 to be paid from the Weed Salaries and Weed Chemical line items.
