Agreement to Provide Emergency Management Assistance

Summary:

This agreement provides the legal framework for the Counties in NE Idaho to be able to provide assistance to each other during an emergency or disaster.

Last year we updated the regional coordination plan and created a Family Assistance Center annex to the plan. The plan was previously approved by the Board of County Commissioners. This agreement is the legal framework that will allow the counties to be able to provide the assistance that we outline in the plan.

Sponsor's & Benefactors:

This agreement includes all of the counties in NE Idaho. It has been reviewed by our legal team and Jefferson County's legal team as well.

Fiscal Impact:

There is no fiscal impact to signing this agreement, but it does provide an avenue to request and send assistance to our neighboring counties during an emergency or disaster.

Attachments:

The agreement is attached as well as the regional plan.

SUGGESTED MOTION:

Approve and sign the NE Idaho Agreement to Provide Emergency Management Assistance.
