ITEM TITLE: **Action Item – Landfill Bound Waste Haul Memorandum of Understanding with East Idaho Solid Waste District**

### **Summary:**

*RAD's haul contract to Circular Butte Landfill will expire on 6/30. Public Works/Solid Waste has been working with The East Idaho Solid Waste District to resume haul efforts for the County until the new solid waste facility opens later this year. The East Idaho Regional Solid Waste District (EIRSWD) Board has approved hauling for Teton County at a flat rate of \$2.74/mile. EIRSWD has prepared the attached Agreement. This will be a temporary agreement between Teton County and EIRSWD as we transition to the new landfill. Haul rates will be re-established once the new solid waste facility in Newdale is online.*

### **Fiscal Impact:**

*Round trip to CB Landfill is approximately 200 miles. A 20± ton load will cost the County approximately \$548 per truck under this contract. **Haul Cost per trip under the current contract has never been less than \$1,000.***

### **Attachments:**

*EIRSWD Memorandum of Understanding*

### **SUGGESTED MOTION:**

Approve the Memorandum of Understanding between Teton County, Idaho and Eastern Idaho Regional Solid Waste District for hauling landfill bound material to Circular Butte for the cost of \$2.74 per mile.
