Application for Teton Valley Parks and Recreation District Board Appointment Applicant's

Name: Robert Boyles

---

Why do you want to serve on this Board? I would like to serve on this board to help it get on a successful footing and to help insure the money it spends is spent wisely.

Please describe your qualifications for serving on this Board: Describe your experience with local government: I attend City Council meetings and take part in local politics. Working to educate and advocate on various issues.

What skills do you bring to the Board? Ability to work with various groups and listen to members of the public to find out what they wish to prioritize.

What is the first thing this Board needs to accomplish? Setting up open and transparent rules of spending to ensure all public money is spent in a reasonable manner with accountability.

Other Comments:

I personally worked against the passing of the Recreation District but now that it has passed feel strongly that we should do our best to insure it's successful. Success to me means funding projects that best serve the maximum number of members of the public and only spending on projects that can be sustained within a budget.
