Why do you want to serve on this Board? Our family is actively involved in Agriculture. I am very interested in preserving and promoting agriculture. Agriculture is the backbone of Idaho, I believe. I would like to help preserve our farmland in Teton County.

Please describe your qualifications for serving on this Board: I grew up on a farm in the mouth of Packsaddle Canyon. We had dairy cows and raised seed potatoes and barley and hay. We all helped and worked on the farm. I married Gary Robson and moved to Felt to live on his families farm. I have helped with planting of potatoes and disking of fields. I have taken on all the bookkeeping responsibilities for the last 20 yrs as well as going for parts, feeding our workers & family and helping to keep things running smoothly. I love the life of a farm family. Part of my job is being ready to help out at all times.

Other Comments: We are currently farming over 2500 acres with about 30%<sup>^</sup> of that being rented from property owners. We raise malt barley, hay, wheat and we also have horses and mules. Please consider me a part of this new Ag Commission. Corrected to 70%

Sincerely,  
Marlene Robson
