1. Report: Public Works Dept. Update

Public Works Director Darryl Johnson presented his work.

The property owner, Bill Lofholm, on Wylie Lane has requested County material to improve the road. He stated that it will be up to County standards.

A property owner has approached Mr. Johnson about acquiring a gravel pit on the west side of Hwy 33 between 6000 S and 7000S. The property falls within the proposed Area of Impact for the City of Victor.

The Sheriff's Office has asked that speed limit signs be placed on County roads. To place signs requires a traffic study. The Board discussed different metrics to determine speed limits.

The 2500 N project is progressing, the wearing surface will be applied this week.

The Courthouse will be lit up with green floodlights to honor Veterans.

Weed Superintendent Cameron Hieronymus was present to give his update on weeds management for the summer. Mr. Hieronymus, working

with contract sprayer Joshua Chase, was able to hit all applicable right-of ways plus some extra based on public requests. He sent out advisory letters and received about 90% compliance. The Board thanked him for his comprehensive report.
