ITEM TITLE: **ACTION ITEM: TETON COUNTY ECONOMIC DEVELOPMENT PLAN UPDATE**
9:15 am MT

Teton Regional Economic Coalition (TREC) and community stakeholders, including Teton County Commissioner Bob Heneage, have been working on an update to the 2013 Economic Development Plan, last updated in 2019.

Brian McDermott, Current Executive Director of TREC, and Andy Epperson, who will soon be taking over TREC and relieving Mr. McDermott, will present the plan.

SUGGESTED MOTION:

Whereas the Teton County Economic Plan, as a subsidiary of the Teton County Comprehensive plan, was adopted in 2013, updated in 2019, and was revised again this year by a diverse steering committee, be it resolved that this latest revision is approved and adopted as Teton County policy.
