Why do you want to serve on this Board?

I would like to play a part in advising on responsible use of the Teton River and the ecosystem that supports so much of the reason why I live in Teton Valley.

Please describe your qualifications for serving on this Board:

I served two 4 year terms as an elected board member for the Mt Olympus Improvement District and Central Valley Water Reclamation Facility in Salt Lake County, Utah. I was responsible for leading public meetings and hearings related to wastewater collection, processing and environmental issues involving the Jordan River and Great Salt Lake ecosystem. Provided oversight to large studies involving endangered species and water quality which were critical to conforming to state and federal permits.
