

AGENDA ACTION ITEM

DATE: March 11, 2024
TO: Board of County Commissioners
FROM: Daniel Reyes
ITEM TITLE: **Action Item: Extend Sheriff's Impact Fees**

Per Section 8.A.2. the County can extend the time to hold impact fees from eight to eleven years by giving a reasonable cause why the fees should be held longer and declaring an anticipated date the fees will be expended. The cause for extending the time is to allow enough funds to accumulate to build a storage facility for Search & Rescue. The facility is expected to be built this summer.

SUGGESTED MOTION:

Extend holding the Sheriffs Impact Fees to the allowable eleven years in order to accumulate enough for the SAR/Emergency Services Building.
