J&G Peacock Ranch 6 lot Subdivision is approved for fire department apparatus access and a shared use agreement with the Chilly Waters Subdivision fire pond for fire suppression needs.

Moose Hollow Estates 8 lot Subdivision is approved for fire department apparatus access. I am not aware of a water source located in the Laurel Flats Subdivision for fire suppression needs.?

Northern Lights 17 lot Subdivision is approved for fire department apparatus access, more detail is needed for the fire suppression pond approval.

Thank you,
