**RE: Engineering Review**  
**Wendorff Special Use Permit**  
Section 17, T3N, R45E B.M.

---

Upon review of the Wendorff Special Use Permit Application, I have the following observation:

- Access to this property is off of County Road W10000S. A condition of approval to consider should be improving W10000S to Local Road Standards from Little Pine Lane to Pine Ridge Ranch Road if property.

Sincerely:

Darryl Johnson, P.E., P.L.S.  
Public Works Director
