

AGENDA ACTION ITEM

DATE: February 26, 2024

TO: Board of County Commissioners

FROM: Greg Adams, IT Director/ Emergency Management Coordinator

ITEM TITLE: Action Item - Phone Donation

After we replaced our phone system I asked the County IT Directors across the State if anyone was using a system that could utilize the phones we were taking out of service. Twin Falls County is on the same type of system that we were on, and expressed interest in coming and picking them up.

SUGGESTED MOTION:

Donate our used phones to Twin Falls County for them to utilize on their system until they replace it.
