

DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS

NORTHERN LIGHTS SUBDIVISION

This is a Declaration of the Protective Covenants, Conditions, and Restrictions regulating and controlling the use and development of real property, made effective this **10 Day of October 2023**, by **Northern Lights** subdivision, identified as, Teton County, Idaho, consisting of **Alpenglow Development, LLC**, an Idaho Limited Liability Company, herein referred to as “Declarant” the Owner or beneficial Owner of all the lots in the Northern Lights subdivision, according to the plat filed for record in Teton County, Idaho, and which shall herein be referred to as “properties.” Northern Lights Homeowners Association, Inc. (“Association”) is bound and governed by the terms of this Declaration.

ARTICLE 1 - PURPOSE AND DECLARATION

NOW THEREFORE, declarant hereby declares that all properties described shall be owned, held, sold, conveyed, encumbered, leased, used, occupied and developed subject to the following easements, restrictions, covenants and conditions which are for the purpose of protecting the value and desirability of said land and which shall run with the real property and be binding on all parties having any right, title or interest in the described properties or any part thereof, their heirs, successors and assigns.

ARTICLE 2 - DESIGN GROUP AND COMMITTEE

“Design Group and Committee” shall mean a committee consisting of two or more people to consider and act upon proposals for plans submitted for construction. The initial committee shall consist of the Declarant. Upon the sale of 75% of the lots, the successors to the Design Group shall be elected by the existing Lot Owners. The Lot Owners shall be entitled to one vote per lot and a determination shall be made at that time, prescribing the number and size of the Design Group.

ARTICLE 3 - HOMEOWNERS ASSOCIATION

After 15% of the lots have been sold, a Homeowners Association shall be formed from the existing Lot Owners to administer and enforce these covenants. Membership in the Association shall at all times consist exclusively of the Owners. Each Owner shall be a member of the Association so long as such Owner has an ownership interest in a Lot and such membership shall automatically terminate when the Owner ceases to have an ownership interest in the Lot. Upon the transfer of an ownership interest in a Lot the new Owner succeeding to such ownership interest shall likewise succeed to such membership in the Association. If titled ownership to a

Lot is held by more than one Person, the membership appurtenant to that Lot shall be shared by all such Persons in the same proportional interest and by the same type of tenancy in which title to the Lot is held. Notwithstanding the foregoing, the Declarant shall also be granted voting rights as a Class "B" Member, as defined below.

The members of the Association shall hold meetings at intervals set by the Association. Additional regular or special meetings of the members may be held if deemed necessary. This entity shall be responsible for the contracting for services and the collection of Homeowners Fees and the disbursement of the same.

ARTICLE 4 - VOTING

Each Owner shall be entitled to one (1) equal vote for each Lot in which they are an Owner. Since an Owner may be more than one Person, if only one of such Person(s) is present at the meeting of the Association that Person shall be entitled to cast all votes appertaining to that Lot. But if more than one of such Person(s) is present, the votes appertaining to that Lot shall be cast only in accordance with the agreement of a majority of them, and such consent shall be conclusively presumed if any one of them purports to cast the votes appertaining to that Lot without protest being made forthwith by any of the others to the person presiding over the meeting. The votes appurtenant to any one Lot may not be divided between Owners of such Lot or with respect to matters before the Association, and all such votes appurtenant to any one Lot shall be voted in one block. If the vote of a majority of the owners of a Lot cannot be determined, no vote shall be cast in relation to such Lot. With regard to any approval that requires a specified percentage of total membership, the total membership shall be calculated from the total number of Owners eligible to vote at the time such approval is sought.

The Association shall have two (2) classes of voting membership, Class "A" and Class "B", as follows:

(a) Class "A". Class "A" Members shall be all Owners with the exception of Class "B" membership, if any. Only an Owner that is current on all assessments and/or other fees, and whose Lot does not have any outstanding violations, shall be deemed in good standing and entitled to vote at any annual or special meeting.

(b) Class "B". The Class "B" Member shall be Declarant. In all matters requiring a vote, the Class "B" membership shall receive one hundred (100) votes for each recorded Lot owned by Declarant. The Class "B" membership shall also be entitled to appoint the members of the Board and Association during the Declarant Control Period. During the Declarant Control Period the Declarant may exercise all rights and privileges of the Association, and such additional rights as stated herein, without prior notice, meeting, or vote of the members. It is the intent of this Declaration to allow Declarant to exercise full control of all aspects of the Association and the Subdivision during the Control Period, or sooner if Declarant assigns or terminates its rights in writing.

ARTICLE 5 - CONTROL PERIOD

The Declarant Control Period runs until the first to occur of the following:

- (a) When the total number of votes for the Class “B” Member is less than the total number of votes for the Class A Members (Declarant no longer owns at least one Lot in the Subdivision); or
- (b) When, at its discretion, the Class “B” Member so determines.

Notwithstanding anything to the contrary in this Declaration, Declarant may exercise its discretionary termination of control in whole or in part as to any portion of the Subdivision at its sole election and determination. In doing so as to a portion of the Subdivision, it does not waive any reversionary or remaining control as to all other portions of the Subdivision, the control of which is not expressly terminated by Declarant.

ARTICLE 6 - HOMEOWNERS FEES

Each Lot Owner shall be responsible for his or her pro-rata share for the snow removal, road maintenance, fire pond maintenance, dust control, weed control program, and perimeter fence maintenance. All costs associated with any maintenance occurring on the easement accessing the property shall be included in these fees. On a yearly basis, the homeowner’s association shall assess fees against each lot and notify the respective owners of the same for the following year. Unless the Homeowner’s Association designates otherwise, annual assessments shall be paid in full during the fiscal year and shall be due on the first day of January, of the calendar year. Failure to pay the fees can result in a lien being placed on the lot or lots owned and/or additional legal action. Any installment or other portion of an assessment not paid within 15 days after its due date shall be delinquent and shall be subject to interest and late charges not to exceed the maximum rate permitted by law, as well as all other additional charges. Until 15% of the lots have been sold, the Design Group shall act in this capacity.

ARTICLE 7 – ARCHITECTURAL DESIGN AND CONTROL

No building, fence or other improvement shall be constructed, erected or maintained, on a lot in the subdivision, nor shall any addition thereto, or alteration therein, be made until the ideas, plans, specifications and such other information relating to such improvements have been submitted and approved in writing by the Design Group. In passing upon such plans and specifications, the type of materials, the quality of the materials, and the color to be used, shall be considered by the Design Group in approving or disapproving the plans. Consideration shall be given to compliment the type of other structures in the subdivision and in no manner be derogatory thereto. The Design Group shall have absolute discretion in making determinations as to acceptability.

ARTICLE 8 - DESIGN REVIEW

All plans and specifications shall be acted upon by the Design Group within 15 days of submission thereof to determine if the proposed used or development conforms to the requirements of these covenants. The Design Group may approve plans and specifications subject to any conditions or modifications which the Design Group determines to be necessary in order to ensure conformity with the requirements of these covenants. The Design Group shall retain one set of plans and specifications.

Limitation of Liability. Neither the Design Group nor any member thereof shall be liable to any party for any action or inaction with respect to any provision of these covenants, provided that such committee or member thereof has acted in good faith.

ARTICLE 9 - DEVELOPMENT AND RESTRICTIONS ON USE

Should the Lot Owner not adequately maintain the lot boundary fences, and after proper and adequate notice as to needed maintenance, the Design Group shall take necessary action in order to protect property values and assess Lot Owner for expenses incurred. This is *NOT* to require or encourage every Lot Owner to fence his or her lot, but if a fence is needed, it must comply with this provision and be maintained accordingly.

Additional landscaping requirements may be contained in the Design Group Guidelines. The Design Group will implement a weed abatement program when the development begins in the subdivision and at the time of road reclamation. Existing lots will not be disturbed and will be left in agricultural use until development begins.

Z. Noxious weeds. Noxious weeds must be kept under control at all times at the expense of the Owner, and lots should not be left in an uncared-for condition. In the event that a Lot Owner fails to comply with weed control, either the Lot Owner or the Homeowners' Association, whichever is applicable, shall commence to eliminate the weeds from the infested lots. A \$1000 penalty will be assessed to the lot, and a lien recorded in the Office of the Clerk of Teton County, Idaho, to collect the penalty and the cost of the weed eradication if the Owner does not reimburse said weed control costs.
